

## Curriculum News – Over Three's

Week beginning 13th March 2017

This week we have been.....

- Playing number games in the garden to develop number recognition
- Exploring how materials such as, sand, soil and sawdust change when we mix them together
- Developing our self image by looking at ourselves in a mirror

Next week we will be .....

- Developing our fine motor skills through woodwork and using tools
- Challenging children to find bigger numbers in the environment by focussing on numbers above ten
- Developing our writing skills using the interactive whiteboard

You can help your child by .....

- Looking out for numbers above ten when you are out and about
- Making patterns, drawing pictures or writing letters of their name together in a tray of flour or salt
- Sing our rhyme of the week together

Our rhyme of the week next week will be 'Humpty Dumpty'.

Humpty Dumpty sat on the wall,  
Humpty Dumpty had a great fall;  
All the King's horses and all the King's men,  
Couldn't put Humpty together again.
