

Curriculum News – Over Three's Week beginning 24th April 2017

This week we have been.....

- Planting vegetables, herbs and flowers.
- Measuring and using money in our shoe shop.

Next week we will be

- Developing our language skills as we discuss and look at how broad beans grow.
- Using water play to explore full and empty and order by capacity.
- Practising our sharing and turn taking while making a scarecrow for our garden.

You can help your child by

- Looking at plants in your garden or in the park and talk to your child about how they grow.
- Use some containers (such as margarine tubs, empty plastic bottles or yoghurt pots) and something to fill them with, water, flour, sand, rice and talk to your child about when they are full or empty. If they enjoy playing in the bath they could play with the containers in the bath.
- Sing our rhyme of the week together.

Our rhyme of the week next week will be: The Wise Man built his house upon the rocks.

The wise man built his house upon the rocks
The wise man built his house upon the rocks
The wise man built his house upon the rocks
And the rain came tumbling down...

The rain came down and the floods came up
The rain came down and the floods came up
The rain came down and the floods came up
And the house on the rocks stood firm.

The foolish man built his house upon the sand
The foolish man built his house upon the sand
The foolish man built his house upon the sand
And the rain came tumbling down...

The rain came down and the floods came up
The rain came down and the floods came up
The rain came down and the floods came up
And the house on the rocks stood firm.
