

Curriculum News – Over Three's Week beginning 27th November 2017

This week we have been.....

- Playing with shapes and making shape biscuits.
- Reading our favourite stories.
- Talking to our friends and adults while we do some woodwork.

- Next week we will be
- Continuing to learn about shapes around us and doing some shape printing.
- Exploring colours through marble painting.
- Playing with the programmable toys and developing our IT skills.

You can help your child by

- Looking at shapes around you and talking to your child about them.
- When getting dressed and undressed talk about the colour of your child's clothes together.
- Reading with your child everyday.
- Sing our rhyme of the week together.

Follow the link below to watch our rhyme of the week together with your child.

'Jingle Bells'.
