

Greenfields Nursery School and Children's Centre Havelock Children's Centre

Headteacher: Ellie Larkin

Charging, Remissions and Lettings Policy

Date Approved: January 2020

Approved by: The Finance, Personnel and Premises Committee

Rationale

The staff and governors of Greenfields Nursery School and Children's Centre believe that all of our children should have an equal opportunity to benefit from Centre activities and visits (curriculum and extra-curricular) independent of their parents' financial means.

This policy sets out how we ensure that a good range of visits and activities are offered whilst at the same time minimizing the financial barriers which may prevent some children from taking full advantage of the opportunities.

This policy identifies activities for which:

- Charges will not be made
- Charges will be made
- Charges may be waived

1. Voluntary contributions

Separately from the matter of charging, the Centre may always seek voluntary contributions in order to offer a wide variety of experiences to children. All requests for voluntary contributions will emphasise their voluntary nature and the fact that pupils of parents/carers who do not make such contributions will be treated no differently from those who have.

The Law says:

If the activity cannot be funded without voluntary contributions the parents will be notified of this from the outset.

No child will be excluded from an activity because parents are unable to pay. If insufficient contributions are raised, the trip or activity may have to be cancelled.

If a parent is unwilling or unable to pay, their child will be given an equal chance to go on the visit.

Parents are asked for a voluntary contribution at the beginning of each academic year to contribute towards additional activities for the children, such as, Christmas gifts, entertainment, cooking activities and to supplement school trips.

2. Charges will not be made for:

- Fifteen hours a week of nursery education for three and four year olds.
- Fifteen hours a week of nursery education for eligible two year olds.
- Nursery education for children eligible for Children In Need Funding
- Additional fifteen hours of nursery education for working families who are eligible for thirty hour funding.

Nb. this includes the supply of any materials, books, instruments or other equipment.

3. Activities for which charges may be made

- Education and care for children who attend the Centre for hours over and above the fifteen hour a week entitlement.
- Education and care for children under the age of three who are not eligible for Two Year Old funding or Children In Need funding.

- Children who are collected late at the end of their agreed session (current charges are attached – appendix 1). The contract for daycare outlines the terms and conditions.
- Charges may be made for educational trips if there is a cost implication e.g., hiring of a coach, entrance fee etc. The charges will not exceed the amount needed to cover the cost of the whole trip. The amounts charged will be of an equal amount to each child and/or adult.
- Charges may be made for adult classes if there is a cost implication. Parents not able to pay will be given an equal chance to take part, but if costs cannot be recovered then the class may need to be cancelled.

4. Remissions

In order to remove financial barriers from disadvantaged children, the Governing Board has agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents in particular circumstances. Criteria for qualification for remission are given below.

Parents in receipt of

- Income support
- Income-based Jobseekers Allowance
- Universal credit
- Support under part VI of the Immigration and Asylum Act 1999

Parents/Carers who feel they have other special circumstances requiring assistance with payment will be offered an appointment to discuss these with the Headteacher. The final decision with regard to assistance payments lies with the Headteacher.

5. Additional Considerations

The Governing Board recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- We shall publish notification of school trips and their approximate cost as far in advance as possible so that parents/carers can plan ahead.
- We will allow parents to pay by installments

6. Lettings

In order to generate income it is proposed to continue to hire out premise and staff. General information:
