HOW WE CAN HELP

If you live anywhere in the London Borough of Ealing and have a disabled child, or a child with a health condition or additional needs, please get in touch. We provide information on a wide range of issues affecting families with disabled children, as well as where to go locally for support.

INFORMATION & ADVICE

Our family worker and parent adviser can help you find information about your child's condition, benefit entitlements and we can tell you about other organisations that can help.

LOCAL INFORMATION

We produce quarterly newsletters and email bulletins with information about events, leisure opportunities, support groups and workshops for families with disabled children in Ealing.

FAMILY EVENTS & ACTIVITIES

We run day trips to various places during school holidays for the whole family. We have a year-round program of events.

"Keeping me updated with information about events in my area, support available, benefits advice – makes me feel I am supported by Contact."

"This workshop has been such a valuable experience, a great course and it's been really helpful to speak with parents in similar situations."

WORKSHOPS

We run workshops for parent carers on issues such as sleep, behaviour, coping and support. They also give parents the chance to come together for mutual support.

PARENT SUPPORT GROUPS

Groups provide an opportunity to meet other parents, share information and hear from relevant professionals. We run:

- a carers' support group, meeting every 4 weeks
- an autism and ADHD condition-specific group, meeting every 6-8 weeks.
- an Early Years support group (0-5 yrs), meeting every 4 weeks at Greenfields Children's Centre, Southall.
