Greenfields Nursery School and Children's Centre

Moving from nursery to primary school is a big step for both you and your child and you may have some concerns or questions.

We will be running an online workshop to support you and your child with the transition to school where we will discuss:

- * What you can do as a parent to support your child.
- * Insights into your child's feelings/views and making sense of your child's behaviour.
- * What support you can expect as a parent from the new school.
- * How to help your child with their learning.
