

Curriculum News – Over Three's Week beginning 20th November 2017

This week we have been.....

- Counting and matching numerals.
- Counting how many ingredients we need when making cheese straws.
- Continuing our project on animals with a large shared collage of animal habitats.
- Developing our physical skills on an obstacle course in the garden.

Next week we will be

- Making shape biscuits and learning about shapes around us.
- Acting out the story of the bear hunt.
- Using the cameras to take photographs and develop our IT skills.

You can help your child by

- Looking at shapes around you and talking to your child about them.
- Taking your child to the park at the weekend.
- Reading with your child everyday.
- Sing our rhyme of the week together.

Follow the link below to watch our rhyme of the week together with your child.

‘Tommy Thumb’.
